## The Rise Lamp launches in a new, stainless steel variant

A beloved part of the Normann Copenhagen lamp collection since 2016, Rise is an uncomplicated and versatile wall lamp designed for the many needs and aesthetics of modern interiors. This February, Normann Copenhagen launches the Rise Lamp in a brand-new stainless steel variant. The industrial, utilitarian expression of the brushed steel stands in contrast to the warmth of the ash base. The play between the two materials presents a design full of contrast, while highlighting the quality of the lamp's composition.

## Collection Overview

Rise is available in two versions; as plug-in (using the included power cord)  
or hardwired with a switch (installed directly to the power outlet).

**Rise wall lamp**  
H: 9,7 x L: 17 cm

**Rise wall lamp hardwired**  
H: 11 x L: 19,5 cm

## Product Facts EU

### Description

Rise is the uncomplicated and versatile wall lamp you have always been looking for. Strict lines are gently softened by stumpy sections, creating an attractive blend of a minimalistic design and a friendly appearance. With Rise, designer Marianne Andersen has created a wall lamp that is appealing in all its simplicity.

### Design

Marianne Andersen, 2016

### Material

Powder coated metal / Lacquered ash  
Stainless steel / Lacquered ash

### Construction

The Rise wall lamp consists of a base and a cylindrical shade held together by a turning joint, making it 350 degrees rotatable with a small integrated handle. The shade is white on the inside with holes on top for an optimal light effect. The lamp is simply screwed on the wall and slide together. Rise is available in two versions; as plug-in (using the included power cord) or hardwired with a switch (installed directly to the power outlet). ►

## Rise

---

### ► Cord

Rise wall lamp plug-in version:  
2 m textile cord with switch, white color.

### Dimmable function

No

### Voltage

220-240 V

### Frequency

50/60 Hz

### Ip rating

IP20

### Classification

Class II

### Socket

E14

### Max load

40 W

### Light source - recommended

Art. No.: 504051, LED E14 EU

Power: 2 W

CCT: 2700 K

Output: 160 lm

Life Span: 15 000 h

CRI: ~ 80

### General standards & certificates

EN 60598-2-1:1989

EN 60598-1: 2015
