

by Maija Puoskari

The Liuku Pendant glass is designed by Finnish designer Maija Puoskari. Liuku is consisting of a coloured hand-blown glass shade nestling over a wooden base (Liuku Base) in two different shapes, with long-life LED built in. Liuku's shade is available with clear glass or in two beautiful tones of smoke and gradient violet.

The choice of LED light source honours the UN Sustainable Development Goals of “Affordable and Clean Energy” (SDGs 7). Further the choice of certified wood from well-managed forests, honours the UN Sustainable Development Goals of protecting “Life on Land” (SDGs 15), “Responsible Consumption and Production” (SDGs 12) and “Partnership for the Goals” (SDGs 17).
