

by Michael Dreeben

The silhouette of the Shell Bar Stool is elegant and features long lines in solid oak wood and a soft leather backrest swivel-seat.

Together with the most recognised leather supplier in Denmark, Sorensen Leather, Mater has selected the most durable leathers that fit with Mater's values and aesthetic. The Sorensen ULTRA leather chosen for the Shell Bar Stool further enhance the 'everyday use' and making it ideal for both commercial and residential use.

The oak wood is sustainably sourced from well-managed forests and thereby honouring the UN Sustainable Development Goals of protecting "*Life on Land*" (SDGs 15) and "*Responsible Consumption and Production*" (SDGs 12) and supporting "*Partnership for the Goals*" (SDGs 17).
