

"O" Floor - Indoor

IP67 

DESIGN

Elemental

BESCHREIBUNG

"O" is an essential element that, when switched on, frames nature and suggests perspectives, an unobtrusive object in space that does not alter environmental balances. Its controlled and comfortable light emission can be adjusted with sensors and with the Artemide App to ensure focused operation, thus preventing waste and respecting the circadian cycles of all animal and plant species. Introduced in 2018 in the ground and suspended outdoor versions, it is a perfect lighting appliance also for indoor use thanks to a cabled option that allows easy relocation. In this case too, the IP protection grade is anyway fit for outdoor use. Its lightness is not just formal: its thin aluminium profile is an element on its own, which can be moved wherever necessary, allows multiple uses, and creates a pleasant ambiance anywhere with its soft, non-glaring light. "O" is developed in the original 90-cm diameter version, as well as in a smaller, 45-cm version featuring all the characteristics of the original one. All the versions come with both a white and a black nish to match all possible spaces. "O" is thus a comprehensive family of elements creating dynamic lightscapes.

TECHNISCHE ZEICHNUNGEN

FUNKTIONEN

Artikelnummer:	T073030	Material:	<p>Aluminium, silicone</p>
Farbe:	Black	Serie:	Design
Installation:	Stehleuchte		
Anwendungsbereich:	Innenbeleuchtung		

DIMENSION

Länge:	cm 91.3
Höhe:	cm 92.2
Länge Fuß:	cm 46.5
Breite Fuß:	cm 15.1

INKLUSIVE LEUCHTMITTEL

Kategorie:	LED	Farbtemperatur(K):	2700K
Anzahl:	1	CRI:	90
Watt:	30W		
Typ:	0		

LUMINAIRE

Watt:	42W	Lichtstrom (lm):	1595lm
		CCT:	3000K
		Efficiency:	82%
		Efficacy:	37.98lm/W
		CRI:	90
