

Media shelf

The media shelf is produced to give the vinyl record player a designated spot. It is designed to help you organize all cords and cables by letting them disappear behind the shelf without the risk of getting pinched between the wall and shelf. The media shelf can easily be turned into a workspace, or why not a drink table.

About the designers – Anna von Schewen and Björn Dahlström

Architect and designer Anna von Schewen is considered one of Sweden's most progressive and experimental designers. She has, together with her companion Björn Dahlström, designed several products for String Furniture. Björn Dahlström is a well-established Swedish designer and industrial designer. He is represented in various museums around the world, including the national Museum for Art, Architecture and Design in Oslo, The Museum of Design & Craft (The Röhsska Museum) in Gothenburg and Victoria & Albert Museum in London.

Product dimensions

W: 58 cm, H: 10 cm, D: 47 cm.

Package dimensions

W: 61,3 cm, H: 4 cm, D: 50 cm.

Weight: 5,56 kg.

Transported flat-packed, assembly needed.

Weight recommendation

25 kg evenly spread across the shelf.

Materials and colors
