

CONTROL LAMP

FURNITURE / LIGHTING / ACCESSORIES

PRODUCT FACT SHEET

TAF ARCHITECTS ON THE DESIGN "The CONTROL lamp is a unique and playful lamp with references to hi-fi and industrial machinery. The light and dimmer is controlled by a switch, referencing- volume controls, and is an inviting and simple way of interacting with the user. While designing the lamp, we were inspired by the idea of displaying the different lamp components on a serving plate – almost as a still life. It was a pragmatic approach to making a lamp by the simplest means, a reduced design beyond reduction."

PROCESS The lamp's base is casted in aluminum, polished and finally powder coated.

DESIGNED BY / YEAR OF DESIGN TAF Architects / 2016

TYPE Table lamp

DESCRIPTION An interesting redesign of the naked E27 bulb that invites the user to control the lamp's light using the playful control dial.

ENVIRONMENT Indoor

DIMENSIONS (CM) 23 x 21 x 16

MATERIAL Casted aluminum

BULB INCLUDED Yes

CORD LENGTH (M) 2,5

VOLTAGE (V) 40W E27 Normal bulb. 220-230V, energy class E with average lifespan of 1500 hours.

CLEANING INSTRUCTIONS Clean with soft dry cloth only. Always switch off the electricity supply before cleaning.

ABOUT THE DESIGNER TAF Architects is a Stockholm-based design and architecture studio making International headlines within product and interior design.
