INGEBORG, OTTOMAN
Designed by *Audo*

Originally Ingeborg was designed in 1940 by Flemming Lassen. The chair was designed by Master carpenter Jakob Kjær, who manufactured Flemming Lassen's furniture for The Carpenters guild Annual Furniture Exhibition. The charming little easy chair is named after Flemming and Mogens Lassen's mother, the artist Ingeborg Winding. Despite its petite size, Ingeborg brightens any room with its charm and exclusive style. Ingeborg looks beautiful from all angles. It can be placed anywhere in a room without taking up too much space. To complete the look, add the Ottoman which is the perfect match for the chair.
