Product description
Side table

Environment
Indoor

Material
Die casted aluminium, extruded aluminium, cast glass painted underneath, Verde Guatemala marble, Bianco Carrara marble

Production process
Glass table tops: Cast glass with polished edges. The colour is applied by lacquering the under side of the glass. Marble table tops: The marble is cut into shape and then polished to get a matte finish top. It is then treated with a protective surface treatment. Frame: The legs are made of cast aluminum and the side rails are made of extruded aluminum profiles. Legs and profiles are surface treated with dark chrome. Each marble table top is unique due to the natural material. The smoked glass table tops are unique due to the casting process.

Finishes
Smoked cast glass, Bianco Carrara Marble, Verde Guatemala Marble, Dark Chrome frame. Each marble table top is unique due to the natural material. The smoked glass table tops are unique due to the casting process and edges may vary from 1 up to 5mm per piece.
